Winslow will be celebrating the 100th anniversary of the “PETTICOAT GOVERNMENT” with a parade, a reenactment swearing in the ladies, a presentation by the Daughters of the American of a plaque for the Helen Dunlap Mountain School for Girls, and to end with cake and ice cream until we run out. (With a big cake and over two hundred cupcakes there should be plenty.)

One hundred years ago, the men of Winslow were tired of the women complaining about the way they ran the city.

When election time rolled around and the women decided to run for office. the men all got together and withdrew their names from the ballot and chuckling said, “Let the women try to run the city for a year and just see how much they can mess up. They’ll sit around, drink pink tea and gossip, or else they’ll get into a hair pulling fight over some issue”.

The women put together a slate of candidates consisting of Maud Duncan as Mayor, Audie Crider as Recorder and Clerk, Martha Winn as Treasurer, council women, Etta Black, Daisy Miller, Bee Cherveney, Florence Marley, Lida Cole, and Stella Winn. They won unanimously since no one ran against them.

There was no hair pulling, no pink tea nor gossip. The ladies got down to business and accomplished more in the first year than the men had in several years. The ladies ran again and won a second term.

When the men asked them to run a third time in 1928, they declined saying they were too busy with their other endeavors.

Come on out and join us for a bit of history, lots of fun, and good cakes. All women are invited to walk in the parade, ride a bike, a horse, a buggy, a scooter, or even a walker or wheel chair. The parade will be an abbreviated version just around Peek’s Park and downtown. We’ll even let the men have a place to gather and walk together to show support of the women.

City Council Corner

By Dan Dean

The Winslow City Council and Recorder/Treasurer Malkie began new terms in office in January. Along with several other initiatives, we will continue to focus on maintaining and improving the Winslow Water System this year.

In 2021, the Arkansas legislature passed Act 605 which, among other things, required retail water providers to commission a rate study, file it with the Arkansas Legislative Audit and the Arkansas Department of Agriculture's Natural Resources Division, and implement the rates determined by that study. The studies of Fort Smith (where Winslow buys its water) said their rates needed to be increased in order for their system to be solvent. The Winslow City Council had to raise Winslow water rates to be able to continue to afford to purchase water from Fort Smith.

We recognize the challenge higher water rates impose on Winslow Water System users, especially those living on a fixed income. The Low-Income Household Water Assistance Program (LIHWAP) provided \$8,000 to help Winslow system users pay past-due water bills in 2023, though that funding is no longer available.

Simultaneously, our Mayor, Recorder/Treasurer, and Council have worked hard the last few years to secure grants and low-interest partially forgivable loans to fund our Water Improvement Plan (WIP).

With funds from the American Rescue Plan Act and Arkansas Natural Resources Commission, we replaced all of the outdated water meters with new remote-read meters, freeing up more time for our service technicians to find and fix system leaks.

We secured a low-interest, partially forgivable loan from the Arkansas Natural Resources Commission Clean Water Revolving Loan Fund to install a second tank by the one on Mt. Gayler. This tank will relieve pressure during power outages, provide additional water as needed, and allow uninterrupted service during cleaning and maintenance of the existing tank.

We received a \$500,000 Community Development Block Grant (CDBG) from the Arkansas Community and Economic Development Program to add a large water tank next to our small, aging backflow tank, put up required fencing, and clean and paint the existing tanks.

We obtained leak detection equipment to help find damage to our miles of aging water pipes that cause wasteful system leakage.

Visit WinslowAR.com for more information about our city. Everyone is invited to Saturday morning Coffee Klatch gatherings at City Hall and, when the weather is good, to the Saturday Farmers Market downtown from 8:30 to 11:30. Everyone is also welcome to attend City Council meetings on third Mondays at 6pm either in per-

WINSLOW ARBOR DAY CELEBRATION AND FREE NATIVE TREE SEEDLINGS ON MARCH 1!

Everyone is invited to come downtown on March 1 to celebrate Winslow Arbor Day and to pick up free native tree seedlings, an event sponsored by the Winslow Tree Board and City of Winslow.

Emily Finley of the Beaver Watershed Alliance speaking at last year's event

It will start at 9 AM in front of City Hall with Mayor Jarnagan reading the national Arbor Day Proclamation, followed by a brief talk by Larry Berry, Program Director for Beaver Watershed Alliance, and ending with experienced staff helping folks find the right trees for their needs.

—This year, the choices of seedlings are Shagbark Hickory, Hackberry, Shortleaf Pine, Ohio Buckeye, Serviceberry, PawPaw (in stock!), Eastern Redbud, Flowering Dogwood, Red Mulberry, and Sandbar Willow.

We'll see you downtown on March 1! And because the first Saturday of each month is Winslow Recycling right across the tracks in Peek's Park from 9 am-12 noon, you can drop off your recycling AND pick up free seedlings!

The WCDC is assisting the organizations City of Winslow, Winslow Museum, Ozark Folkways, the Shiloh Museum, and Historic Cane Hill, among others, to put together events and exhibits in 2025.

Items of interest from or about the 1920's in the Winslow area might include the following: newspaper articles, photos, letters, artwork, stories, local legends, memorabilia, and things such as period clothing, tools, wagons, horse tack, etc., etc. (Of course, there is no guarantee that everything offered will be used.)

HOME FOR HEIDI

Heidi is the kind, lovable, red haired female dog approximately six years old that wanders the streets around Winslow. She needs someone willing to be her people and provide her a safe place to live. She is a mixed breed, probably weights 50 pounds, and loves to be around folks. She probably needs to be in a fenced-in area but likes the indoors too. If you would like to be her new people or know someone who would keep her safe, please call City Hall at (479) 634-3903.

Hi, I'm Heidi. Everyone tells me I'm a real sweetheart, but nobody seems to want to take me home. I am a good dog but I like to be with people. I need a home where someone loves me and I have my own human who will spend lots of time with me. Right now I follow the City workers around but they say there's a lease law and that I have to have a home where I'm not in the street. I can't run after the guys anymore.

PLEASE consider making me part of your family. I just want to be loved.

Guard well the avenues of your mind!

Philippians 4:7,8 And the peace of God, which passeth all understanding, **shall keep your hearts and minds** through Christ Jesus. *Finally, brethren, whatsoever things are true, whatsoever things [are] honest, whatsoever things [are] just, whatsoever things [are] pure, whatsoever things [are] lovely, whatsoever things [are] of good report; if [there be] any virtue, and if [there be] any praise, think on these things.* Matthew 12:34-36 O generation of vipers, how can ye, being evil, speak good things? for out of the abundance of the heart the mouth speaketh. A good man out of the good treasure of the heart bringeth forth good things: and an evil man out of the evil treasure bringeth forth evil things. But I say unto you, That every idle word that men shall speak, they shall give account thereof in the day of judgment.

(Answer, our minds.) Everything you see, hear, or taste started in the mind of someone. The greatest battle being fought is for our **Minds think on these things.**
