*If you look for Me
at Christmas*

you won't need a special star —

I'm no longer just in Bethlehem,

I'm right there where you are.

You may not be aware of Me

amid the celebrations —

You'll have to look beyond the stores

and all the decorations.

But if you take a moment

from your list of things to do

And listen to your heart, you'll find

I'm waiting there for you.

You're the one I want to be with,

you're the reason that I came,

And you'll find Me in the stillness

as I'm whispering your name.

Love,

Jesus

2022 Water System Rates Increase

Along with your December water bill and invitation to the Winslow Christmas Parade you received a copy of the resolution with the new water rates for 2022.

This article will hopefully provide some explanation for the increases.

The city is required by State Law to keep the water department solvent to avoid the state taking over. A lot of small water departments had problems and the state closely monitors to make sure we can supply clean water and continue to pay our bills.

Our system is aged, and the water meters must be replaced. The funds gathered from the new monthly meter service charge will be set aside in a special interest-bearing account each month. The funds will be used to purchase new replacement meters in the future.

It costs more to service and provide maintenance to customers outside the city limits.

Deposits had to increase to cover the costs of bills of individuals who have left without paying their final bills. Please direct other questions to Winslowcityhall@gmail.com or

Velda's Words

It's been quite an interesting year in Velda's life, a lot of which is not worth passing on. Time marches, and at my age I'm thankful to open my eyes each morning and see the day begin. Isn't early a beautiful time of the day, and also as the song says, they sure did name early pretty. I awake to turn on Utube and listen to my favorite music for a while before doing my stretches and bends and climbing out of bed.

But I expect you'd rather read news from this writer's office than reporting my daily life. As writers and publishers we're fighting the results that Covid is having on the business. It appears people aren't going to work much lately. Truck drivers, workers in the industry, are staying home, thus affecting our business. No deliveries for book stores and libraries has meant the books written, edited and covers designed are sitting in line waiting for publication in print. Oh, ebooks are being published, so if readers are looking for new books from Oghma, and from Velda Brotherton and other authors, check out online book stores such as Amazon, Barnes & Noble, Nook, and Kindle for their line up of great reads on your Kindle.

I presume readers know those books can also be downloaded to tablets and computers for reading. So don't miss some of the latest books such as Blue Roan Colt, Texas Badge and Texas Lightning by Dusty and me. Or if you like western romances, you might try my Montana series. Shorter stories and quicker reads. Begin with the first one though so you can follow the historical happenings in the background of the love stories.

As you might know I have a huge offering of books on Amazon that includes western romances, classic westerns with Dusty, a six volume mystery series set in the Ozarks, a couple of novels that have gotten great reviews. To see them all go to <https://Amazon.com/author/veldabrotherton>. That's a quick way to see all my books and a few published short stories.

I also have a website at veldabrotherton.com and a blog at veldabrotherton.wordpress.com if you want to find anything else about me. Now, that's probably way more than any of you wanted to know.

I will be 86 in February and have five or six books waiting to be published once the results of Covid fade into the past. I hope 2022 gives everyone a fresh start, happy times and a wonderful family life. I am grateful for my family and friends who pitch in when I need them.

Anyone who was in contact with Winslow Community Meals on Tuesday, November 30, 2021 please be tested for Covid-19 and quantine for 14 days.
