### WE NEED YOU!!

Everybody is familiar with our bigger non-profit organizations but we often forget our little groups that work behind the scenes but make a difference on a smaller scale.

Two groups that really need members and support from the citizens of our area are Friends of the Winslow Library and the Winslow History Museum.

Both groups begin with a fair number of members, but because of illness, death, and people moving we have dwindled down to a scant handful of members.

Friends of the Winslow Library is a group that provides additional books, audiobooks, movies etc. to the Winslow Library. We provide the public copier and supplies for the public to use. Our funds come from the used bookstore adjacent to the library. Once a year at the Christmas Parade, we provide the Chili and Hot Chocolate as a Thank you to the public for using the library.

The Winslow History Museum was established by Barbara Ashbaugh to preserve and promote the rich history of Winslow. This is an ongoing venture as we discover more of the past and make history every day and into the future.

There will be sign-up sheets at the Winslow Library and Winslow City Hall for people who are interested in either or both groups. We will try to set up meetings either once a month or once a quarter depending on the activity of the groups. We know everyone has a busy life with home and jobs and we do not want this to be a burden only a fun experience adding to the community.

If you have any questions or want to add your name to the list, please contact Jo Ann Kyle at 479-634-3105 or 479-213-7966. If you will leave a message with your phone number, I will call you back.

August is a slow lazy month. The biggest excitement is school shopping and resting up the busy month of September.

It starts off with a long Labor Day weekend. Then if you haven't been training all year for the 9th Annual Squirrel Run, it's time for a crash course in building up your endurance for the Half Marathon & 5K Run on Septembers 21st. After the Run you can head down to the Ball Park with your chairs and quilts for the 37th annual WinFest and an afternoon and evening of some of the best music to come out of these mountains since last year.

Mark your calendars! Tell your friends! Proceeds from both events stay in the community to help local organizations.

## News from City Hall:

July was an eventful month for the City of Winslow.

- **Meter Readings:** You may have noticed that City had extra help reading the meters lately. This process will probably for the next couple of months. Please contact City Hall (634-3901) if you identify problems or concerns.

- **Grants:** The City applied for a Rural Community Grants and with matching funds from Winslow Community Meals. The goal is to obtain a portable back-up generator for Meals for the frequent electrical outages. If received, in case of emergencies, citizens using portable life-enabling devices will be able to plug in at Meals.

- **Town Hall Meeting for the Fun Grant.** While the meeting attendance was low, the topic was interesting. The City is applying for a \$50k Grant to continue repairs and hopefully purchase new playground equipment for the ball park. The majority of the funding, if awarded, will provide better access and parking for our citizens with disabilities. The remaining funds will go for playground equipment. Competition is heavy for this grant. Keep your fingers crossed.

Until next time, Ann Malkie, City Recorder/Treasurer

## Winslow Community Meals:

- **WCM (Meals) needs your help!** We really, really need volunteer workers to help in our kitchen a few hours per week (able-bodied and like to help in the kitchen or working in the dining area, setting up the tables, drinks, miscellaneous along with cleaning), or doing other activities such as driving/carrying food to our homebound clients (requires a current driver's license and clear criminal history). Along with our Cook, these activities are mostly being performed by the members of the Board of Directors and we need the help of others in order to continue this great community resource – we realize that we can't do it by ourselves. Sorry Meals can't pay, but all Volunteer Workers who work over three consecutive hours get a "free" lunch.

- **Aprons off to Jerry Kidder, Harlan Snow, and Joe Swall** for clearing out the back cannery area. It looks so different and will be such an asset!

- **WCM wants to welcome Jerry Kidder** as the latest member of the Board of Directors. Jerry accepted the position vacated when Yvonne Fennell left the area.

- **As for bringing the NWA Mobile Food Truck to Winslow** – it is still a work in progress. We will provide more information as it becomes available.

- **Please join us at Meals** – Monday through Friday after 10:00. Lunch is served at 11:30 a.m. Come meet, greet, eat, and stay and visit for a while.

Within Winslow – August Issue  
Tanya Farris

It's back to school time! Summer flew by at the WCCA where we've been focusing our energies and our finances on the Little Squirrel Preschool. And we're proud to be able to tell you that there will be a preschool opening on August 15th for children 2 ½ years old to 5 years old.

We are so blessed to have such amazing people in this little town. If you see Rick or Marsha Reed, give them a big old thank you for the hours, energy and money that they have dedicated to seeing that the preschool would pass all the inspections and go from a dream to a reality. Additionally, our plumber and electrician friends have stepped up once again. Many thanks to Bryan Carroll & crew, the guys from City Hall and Boone Holt. Y'all are truly putting U in the CommUnity Center.

We'll be having an open house on Saturday, August 10 at 1pm. Having a preschooler isn't a requirement. We invite everyone to come out, have a look at our progress, enjoy time with neighbors and friends and see the life returning to the once abandoned property. You'll also get a chance to meet the chickens and the ducks that now are officially Squirrels.

Ms Pam Center will be having the first day of class on Thursday, August 15. You'll need to get with her for enrollment information. She's done a marvelous job getting her Little Squirrels Preschool ready on a shoestring budget and a short amount of time. Our children will have a better future for this endeavor!

On Tuesday August 13th at 5:00 a.m. is when we'll be making the trek to Little Rock to present our case before the State Charter School Panel. We'll know before we leave that day if we're approved. If you can make it, we encourage you to join our caravan down to LR. Show support for Winslow Community School by coming with us.

This summer also brought out Rob Dowtin and the "community garden" project. Starting out small, but we see big things happening with the community garden next year. Everyone should get involved!

We're looking for volunteers to help in the concession stand at Winfest this year on September 21st. Enjoy a day at the festival and donate an hour or so of your time to the WCCA to help replenish the dwindling bank account! Please send Tanya an email at [wcca@slowtowne.com](mailto:wcca@slowtowne.com) if you are interested in helping us.

To that end, we're also taking donations for buns, burger patties, hot dogs, corn dogs, chips, water, soft drinks, desserts and all that stuff. Don't be shy. we'll happily take your money to buy these supplies as well.

Fingers crossed. August 13th is a huge day for Winslow. Hope you can make it. If not, you can watch us stream online!

## The Arkansas Real ID/DL – Effective October 1, 2020

If you want to fly commercially after October 1, 2020, you have to change your current Arkansas ID or Arkansas Driver's License into a "Real ID". Sounds easy – right. Wrong!

First, you have to go to one of the select DMV office's (Fayetteville's is now on MLK Road, just past Walmart, behind the Big O Tires on the North side of the road). There are ten stations, but usually three dedicated public servants working. Fortunately, all have been nice and patient.

When you go in to get a number – check the alpha on the number and then look below on the table to see if there are lower numbers of kind people that could not wait around and put their number back. Grab quick.

But, before you go and are disappointed as I was on my first visit – you must have the following documents (a couple of examples from each requirement):

- Proof of Legal Presence
  - o U.S. PASSPORT (Current Only) or
  - o U.S. BIRTH CERTIFICATE – no birth cards or hospital birth certificates

Important for females or males who have changed their names: If your name is different on any of the documents you are providing (i.e. you have been married and/or divorced and your birth certificate does not match your social security card or other identity you are providing – expect to have to return for another visit).

- Proof of Identity:
  - o Current Driver's License or Identification Card
  - o Concealed Handgun License
  - o Vehicle Registration/Title
  - o Official work/school ID with photo
- One Proof of Social Security Number:
  - o Social Security Card (Name must appear on Social Security card the same as on DL/ID)
  - o W-2, or Form 1099, or recent Pay Stub with the applicant's name and FULL Social Security number.
- Two Proofs of Residency (following are examples and not full list):

o Gas, water, electric, telephone (cell or landline) or cable/internet bill (must be issued within the last six months and show your name and the physical address that matches the information listed under "Proof of Identity" above).

o Valid, current: AR hunting/fishing license, or Concealed Handgun Carry License, or State or Federal Tax Return.

Now, after carefully reviewing all of the documents you provide; the State employee will either bless or reject. If the documents are acceptable (trust me, every document will be reviewed closely), then you pay your \$10.00, get a new picture, and HOORAY FOR YOU! You are the proud owner of a new DL/ID. Good luck.

### YOU THINK ABOUT THAT

By Wesley Wood

### IF MY PEOPLE

I continually hear statements from Pastors and Church Members to the subject about this Nation getting back to God. More often than not the Scripture in 2 Chronicles 7:14 “If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land”, is referenced. Who is “My People” referred to in this scripture? Who is “This Nation” referred to in the statement? One would respond; “My People”, are all who believe in Christ. It is one thing for one to claim to be a believer and another to actually live as a believer. Christ said, “If you love me you Will keep my commandments”. The most obvious example and the least talked about in Christs’ life was, everything he did and said was for the benefit of others, not for himself. Do you vote based on what you feel would most benefit others or what you feel would most benefit yourself? Ever thought about; Who is this Nation, or What is this Nation, when making the statement above? It’s obvious, the Citizens of this Nation are, “This Nation”. So, what “People” are you referring to when speaking of the 2 Chronicles scripture? Your own individual Church group? That would hardly, consist of, “This Nation”. Obviously, this Nation has not remotely or otherwise attempted to adhere to the 2 Chronicles scripture. When Christ taught us to pray; the first action after honoring and worshipping the Father was, submission to the Father and requesting his rule and authority in your everyday life. If everyone would submit to the Father as Christ taught and leave our selfish, arrogant ways and live our lives as Christ example, we could have a more Godly Nation. Because, when God is the Ruler of our lives then he will be the Ruler in our Communities. When God is Ruler in our Communities then he will be the Ruler in our Counties. When God is Ruler in our Counties then he will be the Ruler in our States. When God is Ruler in our States then he will be the Ruler in our Nation. I believe there will be a Judgment day. I believe you and I will be there to answer for "Our" own personal actions. I’m Wesley Wood,

### TOO LATE TO STOP THE TRAIN

A public service TV ad urges caution approaching railroad crossings because a train travelling 30 mph takes half a mile to come to a full stop. Many tragic accidents result from careless drivers approaching the track when it is already too late for an oncoming train to stop.

The Old Testament story of King Josiah provides a striking parallel. Josiah was a reformer, a great and good man, dedicated to purging his land of false religion. He began repairs to the temple which was in a ruinous state. During this work, the Book of God’s Law was found in the ruins. When the King heard it read in his presence, he realized his people had been guilty of appalling violations of God’s law because they had lost sight of His Word! God’s spokesman declared that Jerusalem would be overthrown because of its sinful neglect of His word. Destruction was coming and nothing could stop it. Josiah’s reforms came too late! God had already set in motion the events by which Jerusalem would be overthrown! Clearly, there is a point of no return in God’s dealings with man.

1) **This Is True of Nations.** Man in the 21st Century has tried to remove God from history. We talk glibly about the “separation of church and state” as though such a thing were ever possible! God cannot be separated from the State because governments rise and fall at His will. (Acts 17.26.) History is nothing but the record of God at work among nations! God has repeatedly overthrown nations when their cup of iniquity became full. (cf. Romans 1.8) What of America??? Is it too late to stop the train?

2) **This Is True of Families.** Many families are neglecting the spiritual dimension of life. They make no attempt to attend church or study the Bible regularly. Perhaps they promise themselves: “Some day...” But Solomon warned that we can wait too long! “Remember also your Creator in the days of your youth, before the evil days come and the years draw near when you shall say, ‘I have no delight in them.’” (Ecclesiastes. 12.1) We can wait until it is too late to provide spiritual guidance for our families!

3) **This Is True of Individuals.** We can wait until it is too late to escape the consequences of sin in our own lives. It is possible to remain so long apart from Christ that no place is found for repentance. (cf. Hebrews 12.17) Hearts can harden in neglect; We can become so entangled in sin that we find it impossible to leave! There is a point of no return for the soul!

Though most people try not to think about it there is a coming day of reckoning with God. The time to prepare for that coming day of Judgment is now; Then it will be too late!
