## Winslow Community Meals News

The Northwest Arkansas Foodbank Mobile Pantry will be held this month on Saturday May 15th starting around 1:00pm until the food runs out or everyone is served. Several members of the Community have asked us to start earlier in the day so next month (June) we will be starting at 9:00am. Call our new Pantry Coordinator, Sandra Burton, at 479-634-2800 and let us know what you think!

We are also looking for a new Treasurer! Ann Malkie has resigned. After more than 4 years of begging for donations and drafting grant proposals, I think she was tired of working harder since she retired (and moved home to Winslow) than before she retired!!

Her hard work and enthusiasm brought the organization back from the brink and made it possible for the Winslow Community Meals program to grow into the vibrant Community resource it is today.

She was instrumental in bringing the Mobile Pantry to Winslow which brings so much extra food into our community. We will miss her!

Anyone who is interested in volunteering a few hours each week helping us keep our finances straight should contact our board President DiAnna Preston or our Facility Manager Sandra Burton, at the number listed above any afternoon until 3pm.

## **Water Department – Automatic Withdrawals from your accounts (ACH)**

The Winslow Water Department is considering putting into place a process that would allow automatic withdrawals of your water bills from YOUR CHECKING or SAVINGS accounts each month. Many of you may already use this process with your electric bills, television cable bills, or other bills that you pay monthly.

- There would be no charge to you as long as you have money in the account to cover the water bill.

- You would still receive your monthly statement.

- If you currently pay by phone or credit card, you will avoid those fees.

- There will be a cap so if there is a leak or un-expected high bill; the charge will not take place and the Water Department will receive an alert.

**ACTION NEEDED:** In order to decide IF THE CITY WILL implement this program, the City is requesting your feedback to find out if enough people are interested in this program to implement it. Please email Winslowcityhall@gmail.com (preferred) or call the Water Department at (479) 634-3901 by May 30, 2021 only to let the City know that you would use the ACH or automatic withdrawals. Thank you.

## **Velda's Words**

By Velda Brotherton

It's been a while since I sent a column to the newspaper and I apologize for that. I've been busy finishing up the latest book about the US Marshals of the Western District. Sorry, no title yet. The book has gone to the editor, so hope to see it between covers in the near future. I featured about 25 deputy marshals who worked Indian Territory, Arkansas, and Oklahoma during the years Judge Isaac Parker was in charge. (1875-1896) We're hoping to see it one of these days down at the US Marshal Museum in Fort Smith.

The Poe Mystery series is finished with book six and it has been published. The Pandemic kept books from getting out to libraries and book stores for the past year, but we are finally hoping to get moving again. I finished three Westerns in one of Dusty's series, The Texas Badge. My titles are Texas Lightning, Texas Furies, and Texas Wildling.

If you've read any of the Poe mysteries I just learned that number six of the series has been issued this week. Quote the Endling finishes Dal's and Jessie's story. The first of the series, The Purloined Skull, originally with another publisher, is now available in the series. Look for the six as a boxed set soon. I'll let you know when that will be available. It would make a great gift for mystery readers.

Set in a fictional county in Arkansas, these are the adventures of Cherokee Lawman Dallas Starr and newspaper reporter Jessie West as they solve crimes in the Ozarks while fighting like badgers. Well, at least when they're not figuring out their feelings for each other. Despite everything, Jessie and Dal manage to find plenty of unique locations in which to carry on their romantic relationship which heats up with every turn. A wild time is had by everyone involved in this exciting tale of love and intrigue.

I have copies of some of the Poe mysteries with their old covers that I'd be glad to sell for \$5 if anyone is interested. Drop by and have a look if you're interested.

### **Come Join Us**

Extension Homemakers Club will get back to its regular meetings on May 4th after a year long hiatus because of the pandemic. This meeting is to elect officers for the next two years and set an agenda for the rest of this year.

Extension Homemakers is open to everyone, men and women of all ages. The club has expanded its horizons to include all phases of life. Not only homemaking but health, emergency preparedness, personal finance, person and family well-being, aging and many other aspects of living.

The Winslow Extension is committed to making teaching dolls, pillows and pillow cases, and blankets for the Arkansas Children's Hospital, ditty bags, pillow cases, lap robes, and tray favors for the local VA Hospital, making masks for several organizations and nursing homes, hospitals, businesses, schools, police departments, and many other places.

The Winslow Extension Homemakers Club have volunteered locally for projects such as preparing and serving food and working when the WCCA was renovating the old school buildings, making a quilt for a veteran at the Veteran's Day celebration, volunteering at Community Meals, serving on the boards of several of the local organizations and many other local projects.

During the Washington County Fair the members of the clubs volunteer to work in the Country Store in the Exhibit Hall. The proceeds from the Country Store funds scholarships for students in Washington County. In 2019 and 2020 two recipients each year were from Winslow.

The educational booths set up at the fair each year are constructed by EH Clubs. The last three years before the pandemic closed the fair in 2020, Winslow received two 1st place Blue Ribbons and one Grand Champion Ribbon for the educational booths constructed by the club.

Winslow EHC usually meets on the 3rd Tuesday of each month for a luncheon meeting but we realize many people who work are interested in belonging to EHC.

We are interested in organizing an evening Extension Homemakers Club. This would be a separate club and would have its own officers and projects. If you are interested please call either Jo Ann Kyle at 479-634-3105 or Anna Goff at the Washington County Cooperative Extension Service in Fayetteville 479-444-1755.

# WINSLOW'S ARBOR DAY A SUCCESS

On the morning of March 6, over 40 people--the biggest crowd in its five years--participated in the 2021 Winslow Arbor Day and Native Tree Giveaway, organized by the Winslow Tree Board and staged outside the Train Pavilion downtown. Everyone wore masks and observed the six-foot social distance markers set up to observe Covid 19 precautions.

Winslow's observation of Arbor Day started with Mayor Randy Jarnagan's reading of the national Arbor Day Proclamation, after which people lined up to pick up over 200 free native tree seedlings that the City had purchased from the Missouri Department of Conservation. Special guests from Beaver Watershed Alliance--Nate Weston, Geospatial Biologist, and Kayla Sayre, Watershed Specialist--were there to help people find the "right" trees to plant for their area.

All the tree seedlings were of trees native to this specific area of the Ozarks, meaning that they are the trees most suited to our ecosystem, providing more food and habitat for insects, birds, and animals than non-native and invasive plants do.

The seedlings handed out were: Bur Oak, Gray Dogwood, Flowering Dogwood, Black Haw, Buttonbush, Shumard Oak, Paw Paw, Washington Hawthorn, Chinkapin Oak, and Witch Hazel.

In 2016, Winslow was awarded recognition as a Tree City USA. Among the requirements were to set up a Tree Board to organize an Arbor Day observation and community tree care projects such as planting trees at the Winslow ball park, Peek's Park (down-

town), and Tunnel Park , as well as the ongoing eradication of kudzu on the hill above Tunnel Park.
